- **SUGGESTED APPLICATIONS**
  Showrooms, Residential, Multi-Family, Hospitality, Retail, Commercial

SATCO|NUVO's STARFISH® SMART technology color changing light bulbs feature an eye-catching RGBTW decorative ribbon filament that is beautifully showcased through the clear glass bulb. Available in A19, T9, T10, T14, ST19, and B11 bulb types with both medium E26 and a candelabra E12 base, these bulbs offer flexibility for a range of fixtures. With tunable white options from a warm 2700K to a crisp 5000K and access to millions of vibrant RGB colors, they create the perfect ambiance for any space. Fully dimmable and controlled via the Starfish Smart app, users can easily customize lighting scenes and enjoy dynamic color effects. These bulbs seamlessly blend classic design with modern smart capabilities.

These elegant bulbs are also compatible with Siri, Alexa, Google Home, and SmartThings so they can be easily incorporated into your smart home.
