STARFISH
live life enlightened

SATCO STARFISH®'s compact single-outlet smart plug is designed to bring convenience and control to your indoor spaces. Rated for 15A/125V applications, it's ideal for powering coffee makers, fans, lamps, and other small appliances. Its space-saving design allows for 2 plugs to be installed on a dual outlet receptacle or keeps the second receptacle free for additional use; while the clean white finish blends seamlessly into any décor. Using the STARFISH® app, you can easily set schedules, create timers, and manage devices from anywhere, helping to simplify routines and enhance energy efficiency. Fully compatible with popular smart home platforms including Google Home, Alexa, Siri, and SmartThings, this smart plug delivers effortless integration into any connected home.
