

SOLAR YARD LIGHT

WITH 2 MOUNTING OPTIONS

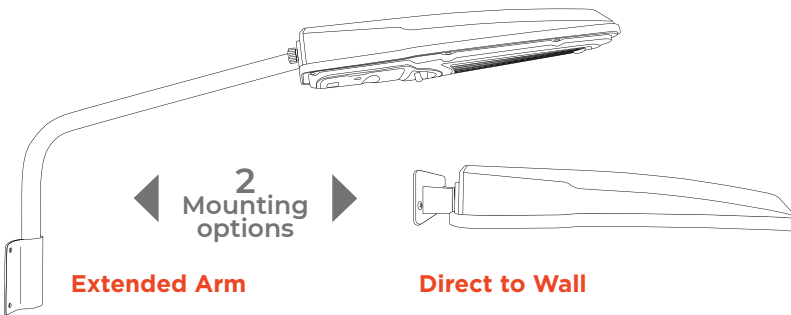

17IS90810

The Gama Sonic Solar Yard Light is a cost and energy-efficient solution intended to brightly illuminate the exterior of any home, storage unit, pedestrian passage area, or camping site.

- Powered by efficient monocrystalline solar panel
- Automatic dusk to dawn operation
- This solar light features two mounting options: Direct to Wall and Extended Arm mount.
- Weather resistant, heavy-duty resin
- Easily switch between a warm white (2700K) or bright white (6000K) color temperature.
- Maintenance free
- Grey finish
