LED Type A+B Wattage and Color Selectable PL Lamp

Flexibility and Durability in one Energy-Efficient Solution

- 4 Wattage Selectable: 8W/10W/12W/15W
- 4 Color Selectable: 27K/30K/40K/50K
- Easily installs as a direct replacement for compact fluorescent lamps (CFLs) helping reduce installation time
- 360° beam angle
- Shatterproof design
- 50,000 hour rated life

This versatile Type A+B PL lamp offers a wide combination of available wattages and CCT options, making it an ideal replacement for compact fluorescent lamps. The 50,000 hour rated-lifespan and shatterproof rugged construction minimizes maintenance and replacement costs.
