

Sunlite 85100 10-Inch LED Wall Sconce, 12 Watts(120W=), 800 Lumens, Color Selectable 30K/40K/50K, Dimmable, ETL Listed, Brushed Nickel, For Commercial & Residential Use

Rectangle

DESCRIPTION:

Upgrade your traditional light to Sunlite's 10-Inch LED Wall Sconce. Its brushed nickel finish and modern design are ideal for use on any indoor or outdoor space. This fixture is made of aluminum and steel and is IP20 rated, making it resistant to dust and objects larger than 12 mm. These fixtures allow you to choose the color temperature at the installation time. Select 3000K Warm White, 4000K Cool White, or 5000K Daylight, depending on your preference, using a switch located on the side of the fixture's canopy. With a long 50,000-hour life span, these wall sconce will provide years of reliable and maintenance-free service that only uses 12 watts of electricity with a high lumen output of 800. Estimated annual energy costs of \$1.45 (Based on 3 Hrs/Day at \$0.11/kWh). Benefit from significant energy savings over time. When linked to an LED-compatible dimmer switch, the brightness output may be adjusted, enabling it to adapt to any lighting to match the mood. ETL Listed for wet location installation. Ideal for Bathroom, Hallways, Walls and more. Mounting hardware and installation instructions included. Fixture Dimension 9.6" H x 4.75" W x 3" D.
