

LED Red Exit & Emergency Combo

NYC APPROVED

Glare Free LED Adjustable Round Lamp Heads

City of New York approved heavy duty emergency exit and lighting combo unit offers safety and security in a modern, easy to install design. This self-contained unit meets the requirements of all five boroughs of New York City. Emergency unit is OSHA compliant and contains a long lasting Ni-Cad battery backup for essential illumination during a power outage.

FEATURES

- 120/277V dual voltage operation
- Red EXIT letters - 8" height and 1" stroke with glare-free adjustable LED lamp heads
- 20-gauge steel housing with white powder coating
- Wall or side mounting capability
- Test switch and AC supply indicator
- Removeable knockout chevron directional arrows
- Battery backup with accessible test button for 90 minutes of illumination during a power outage
- Suitable for damp locations
- Meets UL924, NFPA 101, NEC, and OSHA standards

APPLICATIONS

- Emergency lighting for office, industrial, retail and other public spaces
