

LED Decorative Candelabra Series FLAME AND BLUNT TIP

Give Your Home a Cozy Look and Feel

Topaz LED Decorative candelabra lamps are the energy savings alternative to traditional lighting. Available in blunt or flame tip configurations and offered in aesthetically pleasing warm 2700K and 3000K color temperatures. Dimmable for complete ambiance control and additional energy and maintenance savings. A long lasting direct replacement for incandescent lamps in ceiling fans, wall sconces and chandeliers.

FEATURES

- Blunt tip and flame tip models available
- Filament style best replicates the aesthetic appeal of incandescent lamps
- Up to 90% energy savings over incandescent
- Long life – up to 10X longer than traditional incandescents
- RoHS compliant and mercury free

SUGGESTED APPLICATIONS

- Decorative lighting, wall sconces, chandeliers
- Residential, hospitality, commercial
