

## LED Luminaires

### Vaportight Jelly Jar Series

- Die-Cast Aluminum Housing / Polycarbonate Lens
- Adjustable Head Design
- Wet Location Rated
- Multiple Conduit Entry Points
- Wall, Ceiling or Pendant Mount
- E26 Base Lamp Ready

### Specifications

#### Description

The next generation VPT Vaportight series provides a high performing solution in a rugged versatile design, perfect for multi-function applications. The VPT offers a robust die-cast body, and lamp ready base, silicone gasketing and corrosion resistant powder coating ensuring optimal performance and flexibility in the toughest conditions.

#### Performance

- 120-277VAC input
- 5 year warranty
- -30°C - 45°C operating temperature

#### Construction

- Die-cast aluminum Housing
- Frosted polycarbonate lens
- Textured gray powder coat finish
- (5) 1/2" Knock outs for easy conduit entry points
- Silicone gasketing

#### Certifications

- UL Wet location listed
- IP65
- RoHS compliant

### Ordering Logic: EX: VPTAJR-E26-U-GR

Series	Base	Voltage	Finish
VPTAJR=Vaportight Adjustable Jelly Jar	E26 = E26 Lamp Base	U = 120-277VAC	GR = Grey
