## EM-WP Decorative Outdoor Emergency Wall Pack

### DESCRIPTION

Combining modern design with dependable performance, this teardrop-shaped LED emergency wall pack provides efficient egress lighting with built-in emergency backup. Its low-profile, architectural form enhances building exteriors while ensuring safe illumination. Designed for versatility, it features an internal DIP switch for easy selection of soft white, cool white, or daylight color temperatures. The integrated dusk-to-dawn photocell ensures automatic operation, optimizing energy efficiency, while the battery backup provides 90 minutes of emergency lighting during power outages. Built for durability, this fixture offers a wide semicircular beam spread, improving visibility along sidewalks, walkways, and building perimeters. Ideal for commercial and residential settings, it blends style, reliability, and safety in one sleek package.
