## General

|                           |               |
|---------------------------|---------------|
| Status                    | Transitioning |
| Substitute                | S11634R1      |
| Wattage                   | 12W           |
| Voltage                   | 120V          |
| Finish                    | Black         |
| CCT (Kelvin)              | 3000K         |
| Color Temperature         | Warm White    |
| Lumen Output              | 840L          |
| Indoor or Outdoor Fixture | Indoor        |

## Specifications

|                       |                            |
|-----------------------|----------------------------|
| Technology            | LED                        |
| CRI                   | 90+                        |
| Beam Angle            | 40                         |
| Rated Hours           | 50000                      |
| Operating Temperature | -20C (-4F) to +45C (+113F) |
| Dimmable              | Yes-Dimmable               |
| Sloped Ceiling        | No                         |

## Dimensions

|              |      |
|--------------|------|
| Length (in.) | 4.38 |
| Width (in.)  | 4.38 |
| Height (in.) | 3    |
| Weight (lb.) | 1.18 |

## Compliance

|                      |                               |
|----------------------|-------------------------------|
| Safety Listing       | cETLus - Listed               |
| Location Rating      | Wet                           |
| UL Application       | Ceiling                       |
| Energy Star          | No                            |
| DLC Approved         | No                            |
| Air Tight Rated      | Yes                           |
| IC Rated             | Yes                           |
| California Status    | Lawful for sale in California |
| Title 20 / 24 Status | California T24 Listed         |
| California Prop 65   | Lead                          |
| RoHS Compliant       | Yes                           |
| FCC Compliant        | Yes                           |
| SDS Sheet            | LED_Lamp                      |

## Additional Information

|                        |                                                                                                                                                      |
|------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------|
| Additional Information | Integrated j-box for direct wire installation                                                                                                        |
| Installation Notes     | *If you purchase The 5W Emergency Driver (S8000) or the 10W Emergency Driver (S8002), you must also purchase the Emergency Driver Enclosure (80-973) |
| Warranty               | 5 Year Limited - Fixtures                                                                                                                            |

## SATCO S11634

12WLED/DW/DNL3/930/SQ/RD/BK
