12 PACK

SATCO's Performer Series 12-Pack SlimFit Downlights deliver the flexibility and performance installers trust in a convenient solution designed for larger projects. Perfect for builders, contractors, and multi-room installations.

Priced per piece, the 12-pack configuration simplifies purchasing, reduces ordering time, and helps keep every fixture consistent. Available in 4-inch and 6-inch sizes, each fixture features five selectable color temperatures (2700, 3000, 3500, 4000, and 5000K) allowing the ideal light color to be selected during installation. Complete with a remote driver junction box, adjustable spring clips for quick installation, and a low-profile design, these wet location rated downlights provide a reliable solution for new construction, remodels, and residential applications.
