Select Series LED Flood Light

Product Specifications

TCP's Select Series LED Flood Lights offer three wattage selectable SKU levels that cover 10W-100W and 3000K, 4000K, and 5000K color selectable options. Customers can customize the light to best illuminate their outdoor projects, no matter how big or small. They are equipped to handle any wall washing, sign illumination, or accent lighting applications.

The die-cast bronze aluminum housing comes with tamper-resistant tempered glass, yoke or knuckle mounting options, and is easy to install. Standard features include CCT/Wattage/Photocell selector knockout switch, 0-10V dimming, a 105° beam angle, and up to 135 LPW rating to help maximize energy savings.

Reasons to choose the Select Series LED Flood Light from TCP

- Wattage package options: 10/20/30W, 30/40/60W, 50/80/100W
- Each SKU 30/40/50K CCT selectable
- Long 50,000 hour rated life reduces maintenance and replacement costs
- Delivers bright, uniform light
- Die-cast aluminum housing with impact-resistant tempered glass lens
- Knuckle and Yoke mounting options for easy installation or retrofits
- CRI >70
- UL IP65 listed for wet locations

Ideal Applications

- Landscape Lighting
- Wall Wash
- Sign Lighting
- Accent Lighting
