UC-LED-12-WH (V3)
LINKABLE UNDERCABINET LED FIXTURE

LBS Lighting

8W, 120V Input, Phase Control Dimming

LEDs:

- Manufacturer: Philips Lumileds
- Rated life: 50,000 hours
- Color temperature: 3000K, warm white, comparable to halogen

DRIVER:

- Manufacturer: Keystone Technologies
- Part Number: KTLD-12-1-380-FDIM-AF1
- 120 Volt input
- 12 Watt maximum, constant current @ 380 mA
- UL 1310 Class 2 power supply
- Type 1 Outdoor, suitable for dry and damp location
- Operating temp range 0ºC/32ºF to 40ºC/104ºF

HOUSING AND CONSTRUCTION:

- Extruded aluminum
- Standard finish: Premium powder coated in white
- Sleek 1" profile
- Lens: highly diffused plastic lens for even light distribution

DIMMING:

- Phase control dimming
- Suitable for use with TRIAC dimmers

APPROVALS:

c(UL)us

WIRING AND SWITCHING:

- Convertible 120V input with either direct wire or cord and plug; knockouts provided for either configuration
- Linkable between fixtures using linking connector cords (when spacing between fixtures is desired) or double-ended connectors (for continuous fixture mounting); maximum number of linked fixtures is 32
- Pre-installed on/off rocker switch

PACKAGING:

- Contents in each fixture carton:
  - (1) LED fixture
  - (1) 3-prong SPT-2 power cord (5' length)
  - (1) 18" Linking connector cord
  - (2) Mounting screws
  - (1) Die cast coupler
  - Instruction sheet

WARRANTY:

- 5 years

ACCESSORIES:

- 3" linking connector cable
- End-to-end linking connector
