Description

This indoor antique bronze bath or vanity bar light or wall mount features white etched cased glass cylinder shades. Enjoy the stunning radiance of etched white cased glass, handcrafted by master craftsmen. Enjoy phenomenal long-lasting color that will never fade from cleaning or sunlight. Glass color is always non-painted and 100% natural, inherent to the original sand pigment from which it was created. Thickness and weightiness from multiple glass layers ensures long-lasting durability. Indulge in this piece's contemporary design. This versatile light can conveniently mount up or down. Install upwards for an upright configuration or downwards for a downlight configuration. Open/uncovered shades provide convenient access for quick and easy light bulb replacement and helps prevent dust accumulation. Conveniently suitable for both damp or dry locations. Perfect complement to bathrooms, vanity, living rooms, hallways, restaurants, and many other indoor areas. Beautifully finished in a sophisticated antique bronze.
