Description

This integrated LED indoor foundry bronze linear kitchen island hanging pendant features bell-shaped bowls. Go green and save big. Energy-efficient LEDs are environmentally friendly and require substantially less electricity to maintain, passing down cost-cutting savings to you. Enjoy this piece's sleek, modern design. Clean, minimal, and solid color design blends in seamlessly with surroundings and existing décor. Open/uncovered bell-shaped bowls help prevent dust accumulation. Perfect complement to kitchens, islands, dining rooms, bars, studies, desks, restaurants, and many other indoor areas. Suitable for dry locations only. Beautifully finished in sophisticated foundry bronze. Feel confident in a quality product. Each integrated LED comes with a 5-year limited warranty.
