Description

This 4 ft. 120V 2-circuit/1-neutral silver gray aluminum linear track system / rail / section features a clean, minimal, and solid color design that blends in seamlessly with surroundings and existing décor. Composed of extruded aluminum, a corrosion-resistant material. Feel at ease with aluminum's high resilience, lasting quality, and inability to rust like steel. Compatible with Volume Lighting 120V 2-circuit/1-neutral track heads. Perfect complement to stainless-steel appliances, kitchens, living rooms, apartments, studios, bars, restaurants, and many other indoor areas. Suitable for dry locations only. Finished in silver gray.
