Description

Enjoy this indoor mini convertible hanging pendant's traditional, elegant design. Conveniently installs as either a pendant or semi-flush mount ceiling fixture. Encased in elegant bell-shaped white alabaster glass. Alabaster glass features beautifully unique patterned swirls. Thick and durable, alabaster diffuses light evenly in all directions and minimizes harsh shadows for a pleasantly uniform glow. Filtered light subtly accentuates swirls, resulting in charming wispy highlights. These gorgeous swirls make each alabaster shade one-of-a-kind and complementary to other alabaster shades wherever placed. Feel confident in your choice of classic elegance. Delight in traditional design that compliments homestyle surroundings and décor. Simple, clean style complements homestyle surroundings and blends in seamlessly with existing décor. Complements islands, bars, dining rooms, kitchens, restaurants, and many other indoor areas. Flawlessly and evenly finished in rich antique bronze. Make this exquisite piece your go-to for classic elegance.
