Because Lighting Speaks Volumes

Description

Sleek transitional features epitomize this indoor wall sconce or wall mount's contemporary and traditional chic. Feel confident in your choice of combined contemporary and classic elegance. Delight in transitional design that complements surroundings and décor with the best of both modern and traditional elements. Beautifully finished with polished nickel. Feel at ease with nickel's lasting quality and stunning appearance. High-quality nickel provides phenomenal durability and an attractive gleam. Hard surface provides top quality protection against scratches. Polished to a mirror shine and an immaculately smooth surface by skilled craftsmen. Easy maintenance—simply clean and polish to achieve an even more lustrous shine. Outer lacquer finish provides an attractive sheen and additional layer of protection. Suitable for both damp or dry locations. Complements stainless-steel appliances, bathrooms, vanity, living rooms, hallways, restaurants, and many other indoor areas. Accessorize with the joyful elegance of this piece today.
