### PRODUCT DESCRIPTION

Delight in traditional design that complements exterior homestyle surroundings and décor. Experience the superior quality of high-grade silicon steel. Silicon steel's high efficiency and quiet operation are superior to the average cold-rolled steel used in other fans. Black finished ABS blades are ideal for outdoor use. This ceiling fan also features a white glass bowl shade, great for providing an even glow. Quickly and easily change the direction of fan blade rotation with the flip of a switch. Integrated switch allows for convenient reversal of fan blade rotation. Enjoy three fan speeds—different speeds allow for quick and easy change of air flow. This fixture features a 11.5° blade pitch, 153 mm × 12 mm motor, and triple capacitor. Beautifully finished in black. Hard surface provides top quality protection against scratches. Easy maintenance—simply clean and polish to achieve an even more lustrous shine. Outer lacquer finish provides an attractive sheen and additional layer of protection. Each ceiling fan fixture comes with a limited lifetime warranty.

1-LIGHT LED 52" BLACK CEILING FAN  
WITH BLACK ABS BLADES

### SPECIFICATIONS

Product Type	Outdoor Ceiling Fan
Finish	Black
Height (in.)	19.5
Diameter (in.)	52
Main Material	High-Grade Silicon Steel
Blade Material	ABS
Shade Material	White Glass
Installation Location	Damp
Number of Blades	5
Blade Finishes	Black
Blade Pitch	11.5°
Control Type	Pull Chain
Motor	153 mm × 12 mm
Motor Speeds	3
Capacitor	Triple Capacitor
Number of Lights	1
Base	Medium Base (E26)
Watts per Light	9
Light Bulbs Included	Yes
Remote Control Included	No
Downrods Included?	Yes
Downrod Quantity	1
Downrod Size (in.)	3
Sloped Ceiling Swivel Included?	Yes (Up to 45 Degrees)
Electrical Wire Length (in)	78
Voltage (Volts)	120V
Safety Ratings	UL Listed
Assembly	Assembly Required
Warranty	Limited Lifetime Warranty
