### PRODUCT DESCRIPTION

Delight in traditional design that complements interior homestyle surroundings and décor. Experience the superior quality of high-grade silicon steel. Silicon steel's high efficiency and quiet operation are superior to the average cold-rolled steel used in other fans. Fan blade position is interchangeable and offers remarkable versatility for interior design. Each blade comes in a rosewood color on one side and in a rich walnut color on the other side. Quickly and easily change the direction of fan blade rotation with the flip of a switch. Integrated switch allows for convenient reversal of fan blade rotation. Enjoy three fan speeds—different speeds allow for quick and easy change of air flow. This fixture features a 12° blade pitch, 153 mm x 12 mm motor, and triple capacitor. Beautifully finished in Antique Bronze. Hard surface provides top quality protection against scratches. Easy maintenance—simply clean and polish to achieve an even more lustrous shine. Outer lacquer finish provides an attractive sheen and additional layer of protection. Each indoor ceiling fan fixture comes with a limited lifetime warranty. Complements , bedrooms, living rooms, dining rooms, kitchens, and many other indoor areas.

### SPECIFICATIONS

Product Type	Indoor Ceiling Fan
Finish	Antique Bronze
Height	18 in.
Diameter	52 in.
Main Material	High-Grade Silicon Steel
Shade Material	Sepia Glass
Number of Blades	5
Blade Finishes	Rosewood/Walnut (Reversible)
Blade Pitch	12°
Control Type	Pull Chain
Motor	153 mm x 12 mm
Motor Speeds	3
Capacitor	Triple Capacitor
Reversible	Yes
Number of Lights	4
Base	Medium Base (E26)
Watts per Light	9 W
Light Bulbs Included	Yes (LED Light Bulbs)
Remote Control Included	No
Installation/Mounting Position	Downward
Downrods Included?	Yes
Downrod Quantity	1
Downrod Size (in.)	3
Sloped Ceiling Swivel Included?	Yes (Up to 45 Degrees)
Electrical Wire Length	78 in.
Installation Location	Dry
Voltage	120V
Safety Ratings	UL Listed
Assembly	Assembly Required
Warranty	Limited Lifetime Warranty
