Type:

1-Light Integrated LED Indoor White Linear Under Cabinet / Display Light with Rectangular White Acrylic Diffuser Lens

Project:

Prepared By:

Because Lighting Speaks Volumes

Description

This integrated LED indoor white linear under cabinet / display light features a rectangular white acrylic diffuser lens. Go green and save big. Energy-efficient LED is environmentally friendly and requires substantially less electricity to maintain, passing down cost-cutting savings to you. Feel confident in your choice of classic elegance. Delight in traditional design that complements homestyle surroundings and décor. Profile is super thin—only 1.125 in. in height. High/low/off switch is included. Perfect complement to displays, shelves, cabinets, restaurants, and many other indoor areas. Suitable for dry locations only. Finished in solid white. Feel confident in a quality product. Integrated LED comes with a 5-year limited warranty.
