**PRODUCT DESCRIPTION**

1- Integrated LED under cabinet mount bar light features a white acrylic cover that makes for an excellent addition to any space that requires a moderate amount of light. Bar light fixture produces 350 Lumens at 3000k temperature and is encased with a white acrylic shade, perfect for an even glow. Easy maintenance makes this an ideal choice for both residential or commercial settings. This product is dry rated, is covered by a 5-year limited warranty, and is UL listed.
