## Description

This indoor or outdoor (suitable for damp or dry locations only) brushed nickel flush mount ceiling fixture features a white alabaster glass bowl. Thick, durable alabaster glass diffuses light evenly for a pleasant, uniform glow and features unique, beautiful swirls. Filtered light subtly accentuates swirls, resulting in charming wispy highlights. Feel confident in your choice of classic elegance. Delight in traditional design that complements homestyle surroundings and décor. Go green and save big. Energy-efficient fluorescent fixture is environmentally friendly and requires substantially less electricity to maintain, passing down cost-cutting savings to you. This fixture also features cold temperature startup in weather as low as 20°C (suitable for damp or dry locations only). Operates up to 75°C. Perfect complement to stainless-steel appliances, kitchens, living rooms, bedrooms, studies, restaurants, and many other indoor or outdoor areas (suitable for damp or dry locations only). Compact light fits easily in small spaces. Beautifully finished with flawless nickel brushed to perfect symmetry by skilled craftsmen. Feel at ease with brushed nickel's lasting quality and stunning appearance. High-quality nickel provides phenomenal durability and an attractive gleam. Hard surface provides top quality protection against scratches. Easy maintenance—simply clean and polish to achieve an even more lustrous shine. Outer lacquer finish provides an attractive sheen and additional layer of protection.
