

Because Lighting Speaks Volumes

## Description

This integrated LED indoor brushed nickel convertible disc / circle flush mount ceiling fixture, wall mount, or wall sconce features a white acrylic circle lens. Go green and save big. Energy-efficient LED is environmentally friendly and requires substantially less electricity to maintain, passing down cost-cutting savings to you. Enjoy this piece's sleek, modern design. Profile is super thin-only 1 in. in height. When wall-mounted, this fixture is Americans with Disabilities Act compliant / ADA compliant. Perfect complement to stainless-steel appliances, kitchens, bedrooms, living rooms, hallways, restaurants, and many other indoor areas. Suitable for dry locations only. Beautifully finished with flawless nickel brushed to perfect symmetry by skilled craftsmen. Feel at ease with brushed nickel's lasting quality and stunning appearance. High-quality nickel provides phenomenal durability and an attractive gleam. Hard surface provides top quality protection against scratches. Easy maintenance—simply clean and polish to achieve an even more lustrous shine. Outer lacquer finish provides an attractive sheen and additional layer of protection. Feel confident in a quality product. Integrated LED comes with a 5-year limited warranty.
