PRODUCT DESCRIPTION

1 - light cylinder mini pendant features a contemporary style, suitable for indoor or outdoor use. This fixture is encased in top-quality rounded cylindrical frame composed of high-quality aluminum, a corrosion-resistant material. Feel at ease with aluminum's high resilience, lasting quality, and inability to rust like steel. Powder-coated hard surface provides phenomenal long-lasting color and exceptional corrosion/scratch resistance. Feel confident in your choice of elegant simplicity. Delight in clean, minimal, and solid color design that blends in seamlessly with surroundings and existing décor. Offers remarkable versatility for exterior and interior design, easily fits in compact spaces. Conveniently suitable for damp locations. Open/uncovered bottom helps prevent accumulation of dust or pests, and is easily maintainable.
