Represents new lamps.

* Useful Life is defined as the point in time at which the lamp will maintain at least 70% of its initial lumens. The lamp will continue to burn past this point, but at decreased light levels.

Warranty – Commercial / Industrial: This product is warranted for 3 years from the date of purchase, based on 10 hours of use per day. Must be operated with an ambient fixture temperature between -4°F(-20°C) and 122°F(50°C).
