Kanata Collection 1-Light Sconce Black & Brushed Nickel

The Kanata collection by designer Kevin Kraemer is unique, stylish and soft. This collection features clear tapered glassware that is held by thin arms that wrap around the cups to finish off the design. The polished nickel cups are complimented with a smooth black finish on the arm banding. Single sconce shown but also available in a 3 or 4 light version. (Alternate colour option available - Black and brass)
